PROFESSIONAL SUMMARY

B.Tech Computer Science and Engineering student with skills in Java, HTML, CSS, and SQL. Familiar with developing basic web applications and creating user-friendly interfaces. Has a good understanding of core programming concepts and database management. Interested in learning new technologies and building practical software solutions while growing as a professional software developer.

EDUCATIONAL QUALIFICATION

B.Tech – Computer Science and Engineering

Dr. M.G.R. Educational and Research Institute | 2022 – 2026

CGPA: 8.05

Higher Secondary (XII)

DR K K Nirmala girls Higher Secondary School | 2022

Percentage: 71%

TECHNICAL SKILLS

- **Programming Languages** : Java | SQL | JavaScript
 - **Web Technologies** : HTML | CSS | JavaScript
 - **Cloud computing** : AWS (Basics)
 - **Platforms** : VS Code | Edit plus
 - **Soft Skills** : Quick Learner | Logical Thinking | Communication
-

PROJECTS

Hospital Management System Website

- Developed a web-based system to manage patient records, appointments, and billing
- Implemented role-based access for administrators, doctors, and patients
- Enabled secure storage and efficient management of hospital data
- Deployed as a scalable and user-friendly web application

Quantum Computing–Resistant IoT Communication Layer Using Lattice-Based Encryption

- Designed a secure IoT communication layer resistant to quantum computing attacks
 - Implemented lattice-based encryption to protect data in resource-constrained IoT devices
 - Ensured secure key exchange and authenticated communication between IoT nodes
-

INTERNSHIP EXPERIENCE

Software Engineering Virtual Intern – JPMorgan Chase & Co. (Forage)

- Completed a job simulation focused on backend development and system integration
 - Worked on project setup, Kafka messaging, H2 database integration, and REST API development
 - Gained hands-on experience solving real-world software engineering problems
-

CERTIFICATES

- Java Full Stack course – Qspiders
 - Cloud – AWS
 - Red Hat System Administration I(RH124) -Red Hat
 - Fundamentals of Generative AI -Guvi
-

LANGUAGES

- Tamil (Native) | English
